

## **Ludlow Infant Academy Sports Premium report September 2015 to August 2016**

Over the past two years, we have focused much of our Sport Premium funding on improving the curriculum. We have developed a new curriculum, REAL PE, based around the development of children's fundamental movement skills. We have also developed a broader range of extra-curricular provision and given children opportunities to take part in intra-school competition. Working alongside Solent Sports Partnership and Create Development, we have provided our teaching staff with an exciting, vibrant curriculum, as well as the training and support required to deliver high quality PE lessons.

At Ludlow Infant the funding is being used to deliver the following projects and initiatives:

- To work with Solent Sports Partnership to provide high quality CPD for staff, extra-curricular activities and a range of competitions.
- To promote fitness and active play in order to improve fundamental movement skills, health and well-being and positive behaviours.
- To develop competitive skills and performance for all children, as well as providing pathways towards excellence.

Over the course of the year the Head Teacher, PE Leader and Governors will monitor the impact of the funding on the above aims. The funding decisions are based on the Ofsted Report 'Beyond 2012 – outstanding physical education for all'.

Current Plans for 2015-2016 include:

1. Developing the curriculum to include the introduction of REAL gymnastics and REAL dance in order to provide consistent and effective PE teaching across the school.
2. Introduce a Family Funs programme to support families with using play at home to develop fundamental movement skills.
3. Use the Create Development CD wheel to ensure effective monitoring of progress within the new PE curriculum.
4. Develop our current competition timetable to include even more intra school competitions for all children, moving toward opportunities for inter school competition.

### **Ludlow Infant Academy PE and School Sport Premium**

Allocation from September 2015 to August 2016 is £8,880
